

## ABOUT ME

I'm an aspiring web developer currently focused on learning Laravel, a powerful PHP framework. I have a passion for creating engaging and user-friendly websites, and I'm always exploring new technologies to enhance my skills in both front-end and back-end development. I'm constantly learning new technologies and improving my skills in front-end and back-end development. My goal is to turn my passion into a career and contribute to exciting projects in the tech industry. In my spare time, I enjoy playing PC games, watching movies, and doing outdoor activities like driving my motorcycle.
